C                                    Am
When the night has come, and the land is dark
F                 G7                    C
And the moon is the only light we'll see,
C                                            Am
Oh I won't ... be afraid, no, I won't be afraid
F                    G7                    C
Just as long as you stand, stand by me
F                G              C                                    Am
So dar-ling, dar-ling stand by me, o-oh, stand by me
F                 G                C
Oh stand, stand by me, stand by me
Am
If the sky that we look upon should tumble and fall
F                            G7                       C
And the mountains should crumble into the sea
C                                            Am
I won't cry, I won't cry, no, I won't.. shed a tear
F                    G7                    C
Just as long as you stand, stand by me
F                G              C                                    Am
So darling, darling, stand by me, o-oh, stand by me
F                 G                C
Oh stand, stand by me, stand by me.
Am
Whenever I’m in trouble won’t you stand by me, stand by me,
F                 G              C
oh stand, stand by me, stand by me, stand by me.
F                G              C                                    Am
So dar-ling, dar-ling, stand by me, o-oh, stand by me
F                 G                C
Oh stand, stand by me, stand by me,
C                                    Am
Whenever I’m in trouble won’t you stand by me, stand by me,
F                 G              C
Oh stand, stand by me, stand by me, stand by me. (fade)
